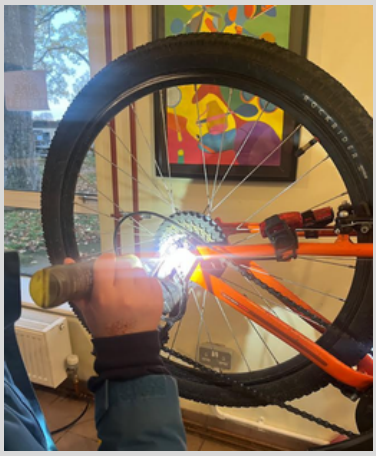
- 21st Dec - 1ST Jan 27: Christmas Holidays

JANUARY

- 4th First day back at School

Bike Fixing at Europa

Clive Esmore (who offers free community bike checks in Abingdon) and another mechanic from his team came to school to fix some bikes - the turn out was great. Thanks so much for helping.



Notices

- **SAFE DRIVING** - There was a near miss this week at school. The rule for the Zebra crossing is that you wait for the pedestrian to cross before moving forward. It is better to err on the side of caution than be too hasty. We NEED to keep our children safe!
- **MATHS** Intervention helpers wanted in Primary

BromCom/MyChildAtSchool (MCAS) questions / Log on for students: datamanager@europaschool.uk

Science Workshop

Year 5 enjoyed a workshop from Science Oxford, in which they investigated and explained how different materials change when they are heated. The children tested their predictions and found there were some surprising results!

Author Visit

The reception classes were lucky to welcome author, Catherine Emmett this week. She read to them her new story, Santa vs the Naughty Listers which they all enjoyed. The children helped her to create a new story with a giraffe/gorilla/hippo/space ranger as their main character. She also showed them how they could create their own characters by drawing a circle and then adding eyes, noses, wings and other features. The children created some amazing pictures. She finished off by reading another of her stories, The Pet, which the children thought was very funny! Thank you to Caper bookshop for organising Catherine to visit us.

Mathe in Advent

Mathe im Advent is the annual advent calendar by Deutsche Mathemaiker-Vereinigung. If you are in Year 3 or older, you can take part for free in a daily problem solving Maths Challenge at https://www.mathe-im-advent.de/

With some luck you could even win one of their prizes. Every year, Europa School has so far managed to have at least one winner in the game, and we hope to continue this tradition.

Please note that the tasks are set in German and, apart from some days, you only will be able to answer the question on the day it is set.

If you would like to have more explanation or have further questions, please contact Frau Langner in 4DE

DIY CLUB

Many thanks to local company Mirico for choosing Europa as the recipient of 4+ van loads of storage racking, cupboards, drawers and more! Thanks also to DIY club volunteers and to the site team for the help to load/unload and move around the school.

Equipment fresh off the van under the school Gazebo
