

Dear Parents,

As you may know, according to the new School Food Plan, children under the age of 5 can receive free milk at school, low fat milk can be made available for the older pupils.

We are working with the supplier Cool Milk. You can register directly with them and they will provide us with the milk and a list of pupils we will need to distribute the milk too.

Milk is **free** for all children aged under five (thanks to the European Union school milk scheme) and is **subsidised** for children aged five or older (22p per day).

Simply register at www.coolmilk.com before **15 July 2016**, and the school will receive a 189ml pack of semi-skimmed milk every day for your child from the **12th of September 2015**. You can join later if you want, or cancel your registration. Please do not order milk for the first week, as we will end up having to throw some away.

The process is as follow:

My child is under five

- Just register your child online at www.coolmilk.com . It is easily and quickly done.
- Once received and registered, free milk will continue until the Friday before your child's fifth birthday. You will receive a payment request three weeks before this time- if you wish your child to continue to receive school milk simply make a payment.

My child is five or older

- Complete a registration form or register online at www.coolmilk.com as soon as possible. When completing on line you are then able to make an immediate payment for your child. Alternatively, you will receive a payment request within 48 hours after registering.
- You can pay Cool Milk either online, over the phone, at a local PayPoint or by cheque in half-termly, termly or annual instalments.
- Please pay by Tuesday 5pm for your child's milk to start the following week.

If you have any questions regarding school milk please visit www.coolmilk.com/whyschoolmilk , or contact the school by email (p.marechau@europaschooluk.org).

Kind regards,

Pascal Maréchau
