After School Activities Spring 2017 Coding Club

Child name:

Class:

*I enclose a cheque
 I pay by bank transfer*

Ref: Name child + Activity

Please indicate the date of the transfer:

Name Account holder and account number:

This club aims to provide the basics of coding and understanding of the digital world. During the first part of the session the focus is on discovery and understanding of technology and the logic behind coding, e.g. how computers work, how the internet works, IoT (Internet of Things), AI (Artificial Intelligence).

Then there are 2 levels. The first group is for beginners aimed to provide the basic of coding logic (conditions, loops) through hands-on activities. The second group will be focussing on the use of Python and starting to work on projects.

We advise that new starters start with the first group at least until the next term. If your child has experience though, feel free to contact the teacher to discuss: a.correia@europaschool.uk

Please tick	Day	Activity	Teacher	Year groups	Time	Dates	price	Cheque payable to
	Saturday – at school	Coding club for beginners	Alexandre Correia	3-6	14-00 - - 15.00	See table below, 10 sessions	£40.00	Europa School UK
	Saturday – at school	Codebusters	Alexandre Correia	5 & 6	15.00- 16.30	10, see below	£46.00	Europa School UK

Week starting	Mon	Tues	Wed	Thurs	Fri	Saturday
02.01.17	Holidays			5	6	Coding
09.01.17	9	10	11	12	13	Coding
16.01.17	16	17	18	19	20	NO CODING
23.01.17	23	24	25	26	27	Coding
30.01.17	30	31	01	02	03	Coding
06.02.17	06	07	08	09	10	Coding
13.02.17	13	14	15	16	Half term	NONE
20.02.17	Half Term					NONE
