Autumn term 2017/18

*Wed Lunchtime: this is a combined route of both buses and your regular stop might not be included.

Please note that all these times are approximate and it is recommended to arrive a few minutes early.

Parents of young children: Please be there in good time to meet the bus, drivers cannot wait for parents who arrive late.

It is also a good idea to liaise with fellow parents at your bus stop or the stop before/after and exchange telephone numbers – bus coordinators are very happy to facilitate this, just ask. The bus driver cannot be contacted as he is driving, so should you be late or cannot pick up at all, please arrange for somebody else to pick up your child.

Should nobody be there to receive a young child off the bus, the child will stay on the bus and the parents will be contacted by the bus company to arrange collection from the depot in Charlton-on-Otmoor.
