

Europa School UK Primary Newsletter

17 - 21 June 2019

Make Music Day,
Abingdon.

Fri 21st June

Details [here](#)

5FE trip to film
festival

5FE went to London to present their film - Les aventures de Marlin et le 5FE's - at Goldsmiths, University of London. They found out about life at university and met Michael Rosen. They also watched bilingual films as part of the Multilingual Digital Storytelling festival. The children and their film, were fantastic!

Music Assembly

Yesterday the whole school was treated to music assemblies from 'I Rock'. These were a free sample of learning what it might be like to be in a band. The children thoroughly enjoyed singing along with some favourite songs and then collaborating with Joe from 'I Rock' to make up their own song. Some children were invited up on stage to play instruments and get the crowd singing along. It was a lively and entertaining afternoon. Follow up letters about 'I Rock' organisation, have been sent.

Maths Week - The Primary school will be engaging with various exciting maths opportunities this coming week, with KS2 focusing on data handling through the NFU Stemterprise scheme of work. We will be launching a combined Maths and Art competition soon.
