

### Move with Europa

Thanks to those that have already starting clocking up kilometers for our journey round the world in 30 days. It doesn't matter how far you travel but let's make the journey together.

So get active and walk, jog, or cycle a kilometer or two! We have made it to Paris. Lets see if we can reach Shanghai by next week.

### If my Dad...a lovely poem by Eli 2EE

If my Dad was weather he would be the sun. He would hug me with warm cozy bright light.

If my Dad was an animal he would be an Eagle. He would have strong black and white colours swooping down gracefully from the sky to protect me.

If my Dad was a pot of paint he would be brown. As strong as wood and as warm as a fresh cooked croissant.
