Language Lab

We are very excited to announce the opening of our new Language Lab where students can practice a language of their choice. We have equipped the room with computers and headsets where students can practice online. We also have dedicated areas for conversations, board games, reading and studying.

Any donations of board games or books in the languages studied at school would be greatly appreciated.

The sessions are running at lunchtime in room 127.

Please encourage your child to come and see what we offer. Times are advertised on noticeboards. *Karen & Mercedes*

PTA Christmas Afternoon Tea

Sunday 13th December, 2pm-4pm **£20**

Home Delivery www.europa-pta.org/christmas-tea

Our delicious festive afternoon tea for two will be delivered straight to your door. Including scones, mince pies, gingerbread men, shortbread, chocolate Christmas pudding cupcakes, a selection of festive sandwiches, hot chocolate and mulled wine spices, this is a real treat for a winter's afternoon.

Interact club

The interact club which holds its virtual meetings every Thursday evening from 6pm to 6.30 pm is pleased to announce that it was voted by the students to raise money

for two associations this year: [Cultiva in Chili \(South America\)](#) and [Eco-Stoves in Uganda \(Africa\)](#). The first one is animated by Eleanore Henderson (European Baccalaureate Culham 2010) and the second one is supported by Maya Smeulders who had her Children in the school a long time ago.

Our European community is active all around the world!
