

Current news

Internet - the school can apply for more mobile data for pupils that have internet access problems. Please contact Desi.

Calendar - the calendar for next school year can be found [on our website](#).

Laptops - most of our laptops have gone home to students, and we don't know if we will have enough, if more people ask for one. If you have any old laptops, please consider donating them to the school! We checked and we have received the maximum we could from the government scheme (10 laptops).

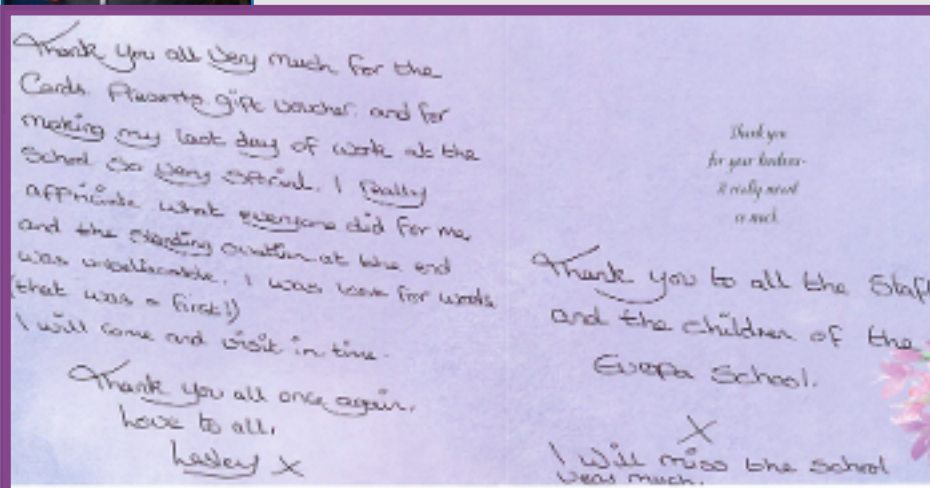

Kami - the school has signed up for a fully integrated version of this app that you can use to work on pdf's online. No more need for printing! You can find it in your google apps.

Goodbye from Lesley

After 25 years of devotion to our students, Lesley has now left us to retire. We will miss her smiling face terribly, and hope she will return to visit regularly.

Goodbye Lesley and thank you!
