Crisis

Thank you to all those who generously donated to Europa's collection for Crisis at Christmas. The charity thanked us personally. A huge thank you to Zohra for helping us target this important cause.

5FE - Digital Storytelling Festival

5FE has started working on an exciting project - Our Planet: Digital Storytelling Festival, Artwork and Multilingual Poetry - with Goldsmiths, University of London. This project will also include some of our Secondary students and many other schools around the world. In June, the children will attend the film festival to present their work and participate in a poetry workshop with Michael Rosen. We would like to say a special thank you to Jojo Prouton who involved our school again this year.
