

3FE/DE Art Workshop with Mrs Jameson

Mrs Jameson brought art and drama to 3FE and 3DE, to help conclude their mystery and adventure stories based on The Lion, the Witch and the Wardrobe by C.S. Lewis. The two classes made a wonderful collage, learnt the art of 3D bubble writing and took part in drama activities that brought to life the best scenes from the book.

Well done 3FE and 3DE and a big thank you to Mrs Jameson!

LabelFrancEducation Award

The Institut Français visited this week to present us with the LabelFrancÉducation Award. We are only the third school in the UK to receive this award, which is the quality Mark for French Bilingual Education.

Year 2 visit Cotswold Wildlife

At last, a school trip! All our Y2 classes went to Cotswold Wildlife Park in the sunshine.

Included was a talk about the rainforest, which brought their recent class topic to life

Can you help? Driver with van required

The Henley River and Rowing Museum is kindly offering the school some furniture. Please contact s.dalton@europaschool.uk if you could collect this load and bring it to school. We would be very grateful.

Year 6 sign up to the summer programme [here](#)

Support your PTA

Your PTA have been busy organising some great events. Please find out more and support them
