

News and Events

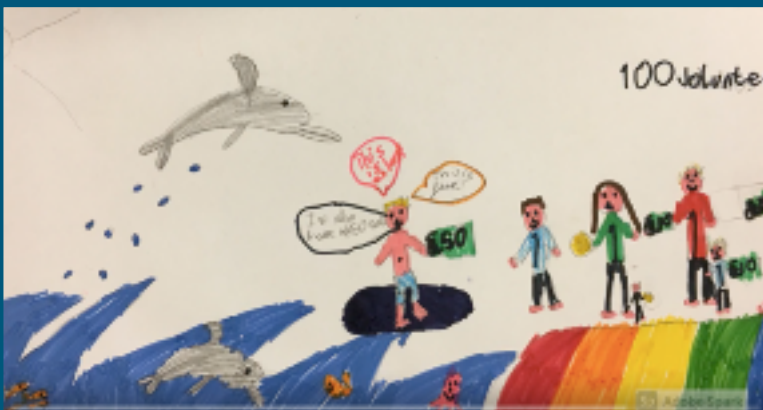

Primary Choir - will start rehearsing online from next week. It is open to children in years 4-6 who are currently learning from home. If you're a primary choir member or are interested in becoming one please join Mrs Scaber's Google 'Choir' Classroom - the code is 3hfesyk. The first session will take place on Tuesday 2. February at 1.30pm. See you all there! - Mrs Scaber

Oxford Young Art Competition - are providing the opportunity to exhibit your pictures on line this year. Click [here](#) for how to submit your entry. Please copy in d.havenstein@europaschool.uk - perhaps we can organise our own virtual exhibition. - Dr. Havenstein

Laptops - We are looking for more laptops to be lent to pupils. If you have any old laptops lying around, your donation would be very welcome. Thank you.

Music Assemblies - Radley College is recording a weekly assembly for local primary schools (roughly Y3-6). After a warm up, this week's assembly is all about the PIANO. Please take a look- <https://vimeo.com/showcase/8038932> Future weeks will include some special guest international musicians, interviews, practical activities and more.

Working towards a cleaner ocean....

3EE/3FE/4EE/4FE class in school made a two minute film about an inventor clearing plastic from oceans.

<https://spark.adobe.com/video/xX4d0NzMvqCEh>

They are now planning their own inventions, inspired by ideas, check them out here

German Saturday School

- click [here](#) for details

4FE Geography with Art

The children in 4FE have been looking at cloud formations and produced some lovely artwork using a medium of choice to represent different clouds.

12 Feb-Inset day
(no school for pupils)
15-19 Feb-Half Term

Children's Mental Health week 1st -7th Feb
Parent and carers resources can be found below

Mindfulness

We are very proud of our strong community spirit at Europa School. Now, more than ever, we need to work together and support one another. Everyone's lives, whether at home, at school, or at work have been affected in some form by this global pandemic. It is so important to be mindful of each others feelings and to remind your children to do the same - whether when passing in the playground or messaging on-line. We welcome you to share your good experiences, as well as being here to support each others challenges.
