

Cleaning up our environment!

Charlotte (1FE) and her brother have been busy cleaning up our local environment. They collected a whole plastic bag of litter on their journey home from school. Well done and keep up the good work! Perhaps we can all get involved in the Great British Spring Clean at the end of May - More details here: <https://www.keepbritaintidy.org/>

4FE Judaism

Thank you to Mrs Sprules who came to 4FE to talk to about Judaism. She explained about Shabbat and laid out a Shabbat table. The children also learnt some Hebrew words and they tasted Challah bread. A lovely experience.

Landscapes by 4DE

The class created fantastic scenes inspired by the work of British painter David Hockney and on "Earth Day" learnt about the wonderful colours we find on our planet.

Important dates

PTA fundraising - Maths, plants and Gala Ball

PTA Plant on-line auction runs until Sunday 9th May. Don't miss out - Click [here](#) for more details.

Video [here](#) (scroll down)

Please support our Maths fundraising campaign. We would love to raise £5,000 in May to support the move to Mastery in Maths. This will go towards essential resources for each language stream and additional resources to enhance the teaching and learning of maths across primary, so it's more fun for all our children! All donations greatly appreciated.
