Interyear Football

The Inter-Year took place on Wednesday 23.6. The event was a huge success, over 150 students took active part in one way or another with a lot of other students supporting their

teams on the sidelines. Massive thanks goes to all the students, helpers and referees who did an amazing job in organising and running it smoothly. It was such a great afternoon - well done everybody!

Mary Blandy on Trial! Oxford Castle and Prison Visit.

S5s visited Oxford Castle and Prison on 21st June as a part of the enrichment programme.

They thoroughly enjoyed the guided tour of the castle and prison, claimed 101 steps to the top of St. Georges Tower, then descended underground into the atmospheric crypt, explored the prison cell and discovered the great stories of the most famous inmates.

They attended a workshop where they had to sift, question and analyse the evidence to decide if Mary Blandy deserved her fate and her notoriety in a retrial of the case that scandalised the country in the 18th century.
