

Parent Survey 2015

We asked our parents about their experience of the first year of the Europa School UK.

We received some very valuable feedback, and parents expressed strong support for the school.

Here are some of the highlights.

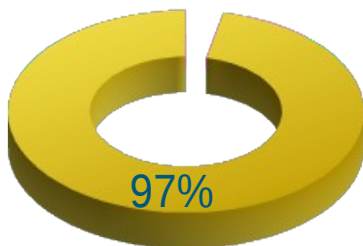

agree that the standard of teaching and learning is very good.

“Emphasis on in-depth learning as opposed to rushing through targets.”

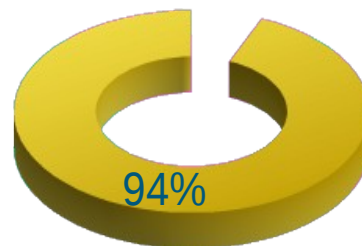

agree that the level of care of their children is very good.

“The teaching staff are excellent and caring.”

agree that the general atmosphere and ethos of the school is very good.

“The caring nature of the community that has been created.”

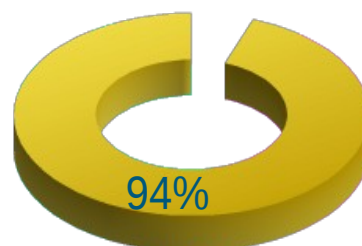

agree that their children enjoy learning in two languages.

“The children clearly genuinely enjoy a demanding bilingual education”

would recommend the Europa School to another family.

“The international atmosphere for my child, the chance to become bilingual and the enthusiastic teaching staff.”

agree that their children enjoy school.

“How happy my child comes back every day”
