

Parent Survey 2013

We asked our parents about their experience of the first year of the Europa School UK.

We received some very valuable feedback, and parents expressed strong support for the school. Here are some of the highlights.

agree that the standard of teaching and learning is very good.

“ The teachers and teaching assistants have inspired my child ”

agree that the level of care of their children is very good.

“ Warm, caring and supportive teaching staff ”

agree that the general atmosphere and ethos of the school is very good.

“Great and stimulating learning environment supported by enthusiastic staff ”

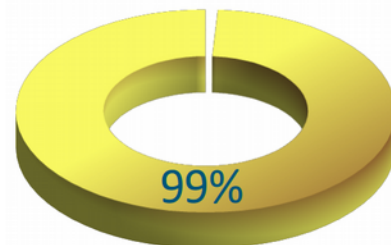

agree that their children enjoy learning in two languages.

“ The multi-lingual, multi-national environment is very enriching and interesting ”

would recommend the Europa School to another family.

“ The multi-cultural environment is very unique and a huge draw for parents who recognise the uniqueness of the school ”

agree that their children enjoy school.

“ It fosters a dynamic, positive, and fun learning environment for the children ”
