

PUPIL PREMIUM 2013-14

The Europa School UK is committed to providing full access to the curriculum for all our pupils regardless of family circumstances or background. The pupil premium provided by the Department for Education is used to benefit children who receive, or have received in the past six years, free school meals, who come from a family engaged in the armed services or who have been adopted from care.

Our total Pupil Premium budget for this year is £7624. This should be spent in such a way as to benefit directly the pupils for whom it is attributed to help close gaps in education between them and their peers and to help them achieve their potential. In some cases other members of the school will benefit indirectly from the expenditure.

The plan for 2013 to 14 includes expenditure on:

- Magazine subscriptions covering science and the three languages of the school.
- Computer tablets to provide access to educational materials
- Support materials for learning Mathematics, including Numicon
- Dissemination of the Numbers Count support
- Subscription to Mathletics
- Early Literacy Support
- Instrumental music lessons
- Specific after school activities
- Small group support within the school day
