## Cross country

On a cold and blustery, but beautiful Thursday 1 February the Europa School braved the conditions and represented the school in the annual County Cross Country Championships held at Radley. The Europa School entered each age group with six strong teams ready and raring to go.

Over 400 hundred pupils took part from schools including Marlborough College, Abingdon School, Magdalen, St Helen and St Katharine and Headington Girls' school to name but a few. Individually pupils tackled the tough courses ranging from 3.2km to 6.2k with our best performers being Roy Schumacher, Tessa Hall, Max Blansjaar, Simon Fahl, Emily Twinn and Julia Hall all securing top 25 finishes.

Impressively our U17 Girls Team, made up of Emily Twinn, Emily Rawes, Bethan Freestone and Juliet Tabourot fished 2nd overall, a fantastic result. Congratulations to all those named, but also all those who represented the school.
