Canteen Ipay registration

The canteen is now cashless and it went rather well this week. Thank you staff and students for your patience! As far as the school is aware, all startup problems have been solved, so please contact d.correia@europaschool.uk if this is not the case for you. **Please make sure you top up your accounts before Monday**, the system works as a wallet, so children can only use what is in the wallet. If you don't want to receive reminders, please ensure you have 11.00 pounds in the account (per child). At the moment we are unable to filter people out of the reminder messages. Forms and info: <https://europaschooluk.org/parent-info/canteen/>

Pin Codes

Please keep your pin code to yourself. If ever you are afraid other people may know it, send an e-mail to d.correia@europaschool.uk to reset your pin.
