French supermarket - <https://www.europafoodxb.com>
Offering £5 off orders over £50 when you mention the name of the school. (The school has no affiliation with this company, but it looks it may interest some of our parents).

School site - We would like to remind you that the school site opens at 8am. Pupils are not permitted to enter the site before 8am with the exception of the bus children. This is for the children's safety as there is no supervision on site until this time.

Activities - Enrolment forms for those who have expressed an interest in Farmoor Sailing and windsurfing will be sent out shortly. Badminton Ladders

Last term the Sports department ran 2 school wide Badminton Ladders on Tuesdays and Friday lunch times. Both ladders proved to be well attended, highly competitive and allowed pupils to develop their match play to become more effective on court. In the boys competition Tanguy Wache, in S3 ended up as champion, closely followed by his brother Louis and Theo Salmon in third. In the girls' competition Shaneh Clark and Elisabeth Salmon proved too strong for their opponents, sharing the spoils of 1st place. They were followed by Amy Moose in 3rd. Congratulations to all those that finished on the podium, all those that won a match and all those that participated.

Well done for the stunning entries for the National Book Token Competitions. Here is Grace Bell's (S1).

Music Soiree

Our S7s would like to invite you to the Music Soirée on Thursday 26th April at 7 p.m. in the chapel (doors open at 6.30 p.m). It will be an evening full of great music, cheese, and wine. As it is a platform for children of all abilities to perform, we would be very grateful if you encouraged any keen secondary students to participate. Please sign up on the sheet in the music block, or by email to Kate Taylor ES7 (kattay18@europaschool.uk) as soon as possible.
