Teaching Assistants

We are looking for English & Spanish speaking TAs

<https://europaschooluk.org/vacancies/>

Meeting - Thursday 21st June at 19:00 in the Chapel: Parents are invited to a meeting for a report from management and governors on the progress of the school and the current funding situation.

Holidays -The Europa School school breaks up on the 6th of July for the summer holidays. This is a full day. Please note that the school cannot authorise any leave of absence for holidays, only for exceptional circumstances.

<https://www.gov.uk/school-attendance-absence>

School Census - Next week the school has to submit the statutory summer school census. Please note that Nationality and Country of Birth will be included in School Census for the last time. As a parent you have the right to withhold this information, and you can make the change yourself in the parent portal as well as check all the other data we hold is correct.

Government guidance on school trips - "Your child's school can ask you for a voluntary contribution to the cost of activities like school trips. They can't stop your child from attending if you don't pay, but they should cancel the activity if there isn't enough money to cover the cost of it." This applies for the trips that are part of the curriculum. The school can charge for optional trips. We thank you for your continuing support to make all the trips happen!

Book Vouchers

For a chance to win £100 of book vouchers for you ... & £5000 for Europa school libraries, click on this link:

S4 Ecology Trip

We studied the qualities of the rivers, on the sea shore we evaluated the biomass to draw some trophic pyramids and in the forest we compared two types of exploitation.

Cheltenham Science Festival

This Tuesday S2 visited robots in a 'Robot Farm' workshop. The Science Festival continues to the end of Sunday 10th June and is a fascinating day out, with many family friendly science activities organised over the weekend.
