## Welcome - September 2018

### Start of term Information

We hope that you have enjoyed a restful summer break and would like to welcome you all back to school. Please find below some information relevant to the start of term. Our [Parent Handbook](#) is a great source of further information. (Please note the final version including the updated site policy to be released soon).

**Photographs** - School photographs are taking place Mon 10th - Wed 12th

Sibling photos are in the drama studio on Tuesday after school. Please make your own way there and remember to change your bus arrangements if necessary.

**Parent information evenings.** - Each class (Primary) or Year group (Secondary) will host an information evening in the upcoming weeks. You will receive further details shortly.

**School Trips** - School trips are an important way to enhance your child's education so we ask for your voluntary contribution to ensure these can take place. You will receive separate information regarding this contribution.

**Logging absences on Schoolbase** - You can now log your child's absence and request an absence via the parent portal. Using this tool will help us immensely with registering and following up on absences. If you need reminding of your login details please contact [Desi](#)

**MEDICAL CONDITIONS** - Please register all medical conditions with Reception. If medication is needed during the school day, a medical permission form MUST be completed and medication MUST be handed to reception and not directly to the teacher. We are only authorised to give prescribed medication.

**Schoolbase e-mails** - You can reply to [schoolbase@europaschool.uk](mailto:schoolbase@europaschool.uk). They do find their way back to the correct person.

**Cool milk** - Milk is provided free of charge to all children under 5 and can be purchased for over 5's but **YOU** do need to register your child. To register please click [here](#).

**Pupil premium** - If you are eligible for Pupil Premium please complete and submit this [form](#).
