## PHOTOGRAPHS IN THE DRAMA STUDIO

# MON 10 - WED 12 SEPTEMBER

**COLOURBOX** Photography will be in the Drama Studio for two and a half days. All pupils, teachers and staff should check on the chart very carefully the times portrait, class, and year photos take place, and make sure to be there punctually! Year photos are only for Secondary.

### **Students**

1. If your photo slot is in a free make your own way to the drama studio. If in class time then remind your teacher. Report first to the drama studio for portrait photos, and arrange yourselves in (surname) alphabetical order whilst waiting to go in.
2. After your portrait photo go to the sunken garden at the front of the Secondary for your Class/Year photos. If it is raining, class and year photos will take place in the chapel.
3. S4, S5, S6 and S7 students - your timetables are complex so excuse yourselves when necessary to go to your photograph session. Set an example of good behaviour please!
4. Friendship photos (Secondary only) on Monday lunchtime: Numbers are restricted to 4 per photo, with a deposit of £5 payable on the day per person. This deposit will be deducted from the total bill when photos are printed.

### **Teachers and all staff**

1. Teachers named in brackets in the chart above, are responsible for taking their classes to the drama studio, and remaining with them throughout the photography period. Help to arrange students in (surname) alphabetical order as they wait outside the drama studio.
2. Secondary class teachers - please make a note of the time of your class's photo and attend and supervise if you are free.
3. All other teachers and staff should note when their own Secondary or Primary group photo takes place, and, if you are new, or if you missed a photo in previous years, go in the break times to get your own portrait photo taken for display outside reception.
