

WEDNESDAY LUNCH TIME BUS SUBSCRIPTION

For pupils in years S1-S7 who finish timetabled lessons at 12.35pm on Wednesdays, BLOC offers a Wednesday lunchtime bus service in addition to the Wednesday afternoon buses. These buses are for pupils who do not have lessons or other activities at school on Wednesday afternoons.

We are extending the service to any BLOC morning only and BLOC non-users for a small fee per term. (The service is available for BLOC full-time and afternoon only users at no additional cost to their subscription fees)

There are two buses available on Wednesday lunch time, and these are the stops for each route.

The buses leave Europa School at 12:40pm and arrive at the final destination around 1:40pm-2:00pm, depending on traffic.
