S2 trip to Hadrian's Wall 2019 CONSENT FORM

School trips are a beneficial aspect of the multicultural education and training provided in the European Schools.

The school's insurance policy covers the pupils on school trips but parents are advised to take out a cancellation policy that will cover cases of cancellation for medical reasons.

Consent

1. I give permission for my son/daughterto participate in this trip.
2. I agree to pay the costs, knowing that the trip may be cancelled if there are not enough children to contribute to the cost of the trip.
3. I undertake, should the organisation of the trip require it, to be responsible for the safe conduct of my child to the agreed point of departure and for his/her return to home from the pre-arranged setting-down point at the end of the trip.
4. I am aware that relevant school rules apply during school trips and that serious misbehaviour may result in my son/daughter being sent home. In such cases, I will be responsible for all costs, including travel costs for the accompanying teacher, resulting from such a decision.
5. I shall inform the school of any health problems my child has and of any medicine that he/she must take. Medication needs to be kept in its original packaging with the medication information leaflet included. <https://goo.gl/forms/Qcul2E8SCvdBrXt42>
6. I will inform the school of any special dietary requirements, please fill the form in anyway, even if the answer is no: <https://goo.gl/forms/Qcul2E8SCvdBrXt42>
6. If I cannot be contacted to give specific permission beforehand, I agree that in an emergency, medical and dental treatment may be given to my child, including the administration of a general anesthetic and surgical operations in accordance with the recommendation of a qualified medical practitioner.
7. I am aware that my child cannot later withdraw his/her participation in the school trip other than for medical reasons or because of a family bereavement or serious illness. In a case of pupil illness a medical certificate must be sent to the school, indicating why he/she cannot participate. The school cannot normally refund the money paid for the school trip.

We have read and discussed these rules with our daughter / son.
