Unuhi Story Competition

Over 45 pupils took part in the story competition we organised with Unuhi, the children's bilingual book app. (Unuhi.com). In French, Italian or Spanish, the stories from primary and secondary pupils are funny, sad or just very well written. Some even came with beautiful illustrations. Such talents in the school! Congratulations to **Kseniya, S3b with her story "Where is Lono/ Mais ou est Lono?"**. Her story will now be published online in 20 languages!
