Sponsorship package will included:

- Company Name on the front of the Auction programme
- Two Full Page adverts in the front of programme
- Community emails sent out to the large school database of over 1000 emails, including links to your website via the e-brochure

TEACHER'S TABLE SPONSOR £1000

In previous years the teachers of Europa have not all had the opportunity or ability to join us on the evening.

The past two years the teachers and staff of Europa have been the foundations of what has kept the school running and children educated with little disruption to their emotional health. Without our fantastic teachers we would not have such a wonderful school to be proud of and we would like to be able to help show them how valued their work and dedication is.

So this year we would like to ask local businesses to help us thank them and celebrate them by a gesture of kindness and sponsoring a table for them to attend this years 10 Year Anniversary Charity Ball.

In return we can offer you a full page advert in our online and printed brochure with a special thanks mention on the night in front of our guests.

THANK YOU

We thank you in advance for your valuable support and look forward to hearing from you.
