JUNIOR MATHEMATICAL OLYMPIAD SUCCESS

Shail T (S3F) qualified to participate in the **Junior Mathematical Olympiad** in June 2023. About 1000 students qualify for this competition each year, so it was a huge achievement to be invited.

Shail was awarded a Certificate of Distinction, meaning he was in the top 25% of participants of this prestigious competition, and further was awarded a **Bronze Medal**, for being in the top 200 participants in the more challenging Section B.

If you would like to see the challenge, you can do so [here](#) (with solutions [here](#)).

The school would like to express a huge congratulations to Shail for this achievement, and we look forward to seeing how he does in the Intermediate challenges this year.

GO ECOLO CLUB

You want to improve the Ecology of the school, come every Monday at 12h45 to 13h15 in room 331.
It starts on Monday 18th September 2023.

The **GO ECOLO CLUB** members do projects and actions in the school. We try to Rewild areas in school, to find a solution to recycle rubbish in suitable bins, to have less plastic in the canteen, to have free Meat lunch, to protect the owls, to meet specialists of nature, to create films about the planet with the Goldsmith University, to have fun...

Come and share your ideas and actions!

OXFORD CHAMBER MUSIC FESTIVAL

PRIYA MITCHELL - ARTISTIC DIRECTOR

**FREIGEIST - a state of being and a free spirit - source of
all great art and the life blood of creativity!**

We celebrate the geniuses who wrote and lived with **FREIGEIST** as their credo and gave us all the extraordinary music we will share with you. From the several meanings of the German term "Freigeist" our chosen interpretation is the simplest: the free spirit and romantic manifestation of all that is creatively unfettered, the opposite of material and manipulated. As we emerge from the curbs and restraints of the last few years we all long to express our humanity and connectedness.

**What more inspiring pathways to this than the compositions of pioneering
minds and spirits like Mozart and Stravinsky?**

Join us this Autumn to experience the unique OCMF atmosphere in historic venues in Oxford. We are looking forward very much to you being part of this and seeing all our OCMF musicians and audience again!

**Friends priority booking
Festival passes available
Free tickets for 8-25 year olds**

Data from GL Assessment, research from 2018-2019, report found at <http://www.gl-assessment.co.uk/whyreading>

Have you 5 minutes?

Ask your child to read the headlines on their mobile phone and tell you which one seems more interesting or intriguing, and why.

If you have 10 minutes

Ask them to read a short article and summarise it. Then you could ask: do you agree with what the article said? Why or why not?

When you have 30 minutes

Choose an article and read together. Ask each other why you prefer this or that subject. Discuss what the author really meant and if your children had seen the topic in school already.

Pet dogs a threat to nesting birds in South Walney - warning

3 hours ago

Five gannets among the species of ground-nesting birds at South Walney Nature Reserve

Grey waders, black-gulls and drongos are disturbing nesting birds at a nature reserve, conservationists have warned.

Continuing Wildlife Trust said it had received multiple reports of "disturbing" incidents at South Walney Nature Reserve near Barrow.

It is urging visitors to stick to clearly-marked paths away from beaches where are out of bounds.

Dogs are not allowed on the site unless they are assistance animals.

Nature reserve officer Paul Wainhouse said birds such as Arctic terns, oystercatchers and waders were ground-nesting and particularly vulnerable between March and April.

"Sadly we're getting lots of reports of recreational disturbance of wildlife by people and their dogs, which is particularly alarming as nesting season is now under way."

"It can be really hard to see the speckled birds eggs and the little chicks can be extremely well camouflaged too, and almost impossible to spot amongst the shingle (shells) found all around the shorelines at South Walney."

"If you're a very well-behaved dog on a lead will save birds away from their nests."
