

## 16-18 Performance Tables

From 2017-2021, Europa School UK was an accredited European School and offered as its end qualification the European Baccalaureate Diploma (EB) organised by the European School System <https://www.eursc.eu/en/European-Schools/European-Baccalaureate>. The EB is comparable to UK Level 3 qualifications (e.g., A levels) and acceptable as a group qualification satisfying general HE entrance requirements in all member states of the European Union.

The European Baccalaureate cycle consists of a **comprehensive multilingual curriculum**. Pupils must always follow a combination of language, humanities and scientific subjects with subjects taught through more than one language. The **core curriculum** consists of the following **compulsory subjects**, some of which can be taken at different levels of complexity:

- At least two language subjects (the dominant language and another one). In Culham, this must include English.
- Mathematics, either 3 periods/week or 5 periods/week
- One scientific subject, either Biology 2 periods/week or any other 4-period scientific subject in either Biology, Chemistry or Physics
- History and Geography, either 2 periods/week or 4 periods/week, which are taught through a different language from the dominant one, either in French, English or German.
- Philosophy, either 2 periods/week or 4 periods/week
- Physical Education
- Ethics or Religion

In addition to the core curriculum, pupils have a wide range of **options and complementary subjects** they can choose from to complete their subject package, which will amount to a minimum of 31 periods per week and to a maximum of 35.

At the end of year s7, the pupils obtain a preliminary mark, which accounts for 50% of the final mark. This preliminary mark reflects all the formative assessment and summative assessment (Pre-Baccalaureate examinations) carried out by the teachers during s7.

The other 50% of the final mark is obtained through the double correction of the written and oral European Baccalaureate examinations by internal and external examiners. The five written examinations account for 35% of this part and the three oral examinations for 15% of this part.

The overall pass mark for the European Baccalaureate was 6 out of 10 until 2021 when with the introduction of the new marking scheme the pass mark was changed to 5 out 10 (50 out of 100).

All students must study English and Mathematics as part of their Baccalaureate studies.

### **Performance of Europa School UK Students**

Year	Number of candidates	Pass Rate	Average final Mark %
2017-18	42	100%	81.78%
2018-19	32	100%	79.76%
2019-20	45	100%	80.65%
2020-21	28	100%	79.34%

In 2019-20 the Diploma was awarded based on preliminary marks due to the school closures during the covid pandemic.

In 2020-21, the school system was able to hold written public examinations however the oral examinations were cancelled.

In 2020-21, the average mark of 79.34% was regarded as equivalent to 3Bs at A level (<https://www.gov.uk/government/publications/information-on-the-european-baccalaureate>) with 18% of our students gaining the equivalent of 3A\*s and 40% the equivalent of 3 As – an exceptional achievement. In 2021, Europa School UK ceased to be an accredited European school and can no longer offer the European Baccalaureate Diploma.

In 2020 the school gained International Baccalaureate World School status and started teaching the International Baccalaureate Diploma for first graduation in 2022.

**Pupil Destinations after Key Stage 5, 2021**

<b>Surname</b>	<b>Provider name</b>	<b>Course placed</b>	<b>Year of entry</b>
Student 1	Loughborough University	Electronic and Electrical Engineering	2021
Student 2	University of Exeter	Law	2022
Student 3	Hartpury University	Strength and Conditioning (With Foundation Year)	2021
Student 4	University of Bristol	German and Spanish (4 years)	2022
Student 5	University of Bristol	Biology	2021
Student 6	University of Bristol	Biology	2022
Student 7	University of Cambridge	Human, Social, and Political Sciences	2022
Student 8	University of Surrey	Veterinary Biosciences	2021
Student 9	University of Oxford	Music	2021
Student 10	University of Birmingham	Physiotherapy	2021
Student 11	Falmouth University	Architecture	2021
Student 12	Coventry University	Motorsport Engineering	2021
Student 13	University of Nottingham	Product Design and Manufacture including an Industrial year	2021
Student 14	University of Sussex	Social Sciences (with a foundation year)	2021
Student 15	King's College London, University of London	Management and Modern Languages with a Year Abroad	2022
Student 16	University of Bristol	Comparative Literatures and Cultures and French	2021
Student 17	Keele University	Psychology	2021
Student 18	Nottingham Trent University	Biological Sciences	2021

**S8 Cohort**

Student 10	University of Bristol	Comparative Literatures and Cultures and French	2021
Student 20	University of Sussex	Liberal Arts	2021
Student 21	University of Birmingham	International Business (4 years)	2021
Student 22	SOAS University of London	Global Liberal Arts	2021

**Foundation Course**

Student 23	Camberwell College of Arts (UAL)	Art Foundation	2021
Student 24	Abingdon and Witney College	Art Foundation	2021

**Abroad**

Student 25	La Bocconi University, Italy	International Economics and Management BSc	2021
Student 26	University of Montpellier, France	Langues étrangères appliquées	2021
Student 27	University of Groninge, The Netherlands	History	2021
