Online events especially for parents & carers interested in finding out more about university in general and the University of Oxford

The Access Team at Trinity College, University of Oxford, are offering two online sessions for parents and carers in June and July. Please feel free to book tickets to attend one or both of the following sessions:

**\* Session 2: For Families - a guide to the University of Oxford and the application process** taking place on Tuesday 5th July at 6-7pm with optional 30-minute Q&A until 7:30pm, will be of interest to parents and carers of students in Years 10, 11 and 12. This session is particularly useful for those wanting to hear specifically about the University of Oxford and the application process.

In this session, we will also focus on effective ways parents and carers can support their child, should they decide to apply to the University of Oxford in the future. We aim to build confidence and knowledge about what a parent and carer's role is in the process of a university application and to clarify the benefits and costs of going to the University of Oxford.

There will also be a live Q&A with some current undergraduate students who'll share some of their own experiences and answer any questions parents and carers may like to ask.

**\*\*Please go to Eventbrite to book both or your preferred options - click [HERE](#)**

**\* Please note this exclusive event is intended for parents/carers of children in state secondary schools.**

**\*\*Bookings accepted up to 5pm, two days prior to each event**
