Oxford German Network Olympiad - Congratulations to all winners!

Our secondary German students got the chance to take part in the German Olympiad of the Oxford German Network with this years theme "Tiere und Monster" (<http://www.ogn.ox.ac.uk/>). As a part of the Faculty of Medieval and Modern Foreign Languages of the University of Oxford, the network offers a yearly competition for German language learners and we are delighted to announce that many of our students were chosen as winners, runners-up and got commended. Congratulations to everyone and well done for all students who participated!
