**Fun Run:** Primary children have collected an amazing £12,687.74 to build a new classroom with a sponsored run.

The Tower Block has been a hive of geographical activity today: the future S7 MUN team embarked on some research in committees whilst the rest of the year produced cocoa beans and manufactured, marketed (and ate) chocolate.

### Puy du Fou

We had a fantastic trip to the Puy du Fou with the S3. 50 students and 7 teachers and assistant teachers had the opportunity to learn more about the French and European History in the park. Our Secondary 3 were amazed by the qualities of the shows and enjoyed their time in the restaurants and the hotel.
