Sponsored Fun Run

Primary children raised this amazing sum, taking part in the sponsored fun run..

£12,687.74

Thank you for your support. All money raised goes towards building a new classroom for our unique, growing school.

Maths Week

In maths week, 3EE turned into business men and women. They sampled ingredients, designed a new cereal bar and then carried out market research to determine the right price point for their product. Selling in the end for a reasonable £2 a pack, with approximately £1.70 profit (once costs of ingredients were deducted), the children made £51 in total. Check out their brightly coloured cuboid packaging. Which one would you choose?

Maths Art Competition
