

Current news

Rowing - In the Physical Education Department we have arranged for British Rowing to come in and test whether any of our secondary pupils are potential future olympians. They are looking for pupils in S1 and above, who are tall (Girls approaching 1.78m+, Boys approaching 1.88m+). Pupils are also invited if they are interested to know how this type of selection works and would like to experience such a session. The session is booked for Monday 23 September, 4.00pm - 5.00pm in the Sportshall

Oxford Open Doors - 14&15 September. Free entry to many venues. Please visit [the website of the Oxford Preservation Trust](#) for more information.

Book Club for S3-S4: first meeting Friday 20 Sept lunchtime in room 200 (above Mrs Wood's office). Come & see if you are tempted (and don't forget to bring your lunchbox).

S4 Ecology Trip

The ecology trip in the centre of Cranedale (Yorkshire) is taking place between Wednesday 11th and Friday 13th September and is a success. 50 students from S4 study different ecological approaches :

sustainable woodland ecosystem, marine trophic levels, evaluation of the quality of the fresh water using biological indicator species.

Mr P. Spiring, Dr E. Coghill, Mr F. Corrie, Dr S. Philippot-Gasc

Coffee Morning - It was very nice to see so many parents this morning. Thank you to our PTA for organising it!

Congratulations to Benedict Madzar for passing the Baccalaureate with flying colours this week. Well done!
