### See 5DE perform at the [Oxford Lieder festival](#)

Each year, Oxford Lieder works with local schools on an in-depth creative project where children write the words and music of their own song (Lieder) cycle. 5DE took initial inspiration from a trip to the Ashmolean Museum and will present the resulting composition in a free performance in the Ashmolean's Atrium on Thursday 17th October, at 4pm. Come and experience a wonderfully committed performance of some imaginative and energising new work. Free.
