

Current news

Lost property - Often lost property is open on Monday/Tuesday lunch time as well as Friday after school. Please visit regularly.

Christmas fete - The Christmas fete will be on 7 December. Contact the PTA to get involved: committee@europa-pta.org

Please slow down in Thame Lane and look out for pedestrians.

Professor John Wass, an endocrinology consultant from Oxford University, visited ESUK to give a

presentation to S6/S7 students on the importance of hormones in regulating body processes.

He also explained several interesting disorders of the endocrine system, and chatted to prospective medicine and biology students. A big thank you to Professor Wass for his time, and to Mrs Powell and Speakers4Schools for organising this informative event!

Tuesday - INTERACT
(supporting local charities)

Friday - PTA Halloween

Model United Nations

On Thursday the 3rd October, 12 delegates representing Mali, Australia, Hungary and South Korea, left Didcot Parkway on their way to

Brussels to attend the 2019 "Model United Nations" in Uccle. After two long days of intense debates about the different topics and questions brought up by the committees and countries, the Culham Students were very tired. Having to deal with some very experienced delegates, they fought their way through the event and the Australian delegate from the UNESCO committee Emily Rawes even managed to have Culham's only Resolution passed in the general assembly. All students performed exceptionally on the days and gave the most uplifting feedback to Dr Philippot- Gasc and Mme Dubois, the two teachers in charge of the trip. It was a massive success, for both the Europa

School Culham, and the European School Brussels 1.
