

In this educational visit the children learnt about timelines and some past events that have shaped our world. The visit from the Oxfordshire Museum has become a tradition, as it fits beautifully with the historical topic that is covered in year 3 during the Autumn term. The Museum brings a fascinating selection of artifacts and documents from the past, so that the children have a real hands-on experience. A truly inspiring and exciting workshop.

The Oxfordshire Museum has visited our Year 3

We are pleased to announce that our canteen achieved a 5* rating in a recent inspection. Congratulations and thank you to Ivor and his team who continue to provide top quality food and service.

**Please remember to keep account topped up*
