

Secondary Newsletter

2 - 6 March 2020

Current news

B-Tests - If you arrive by bus and it is late, sign in at reception and let your teacher know that you arrived by bus. It will be taken into consideration that it was outside of your control.

PTA Grant meeting - Thursday 5th March 20.00 in the Crown and Thistle Pub. All welcome.

The new **canteen menu's** starting next week can be found [here](#). Please ensure your child's account is in credit at all times. For those on free school meals, remember that it can only be used for a meal, not snacks and drinks. You will need to top up the account for these items.

Computers - If you have any unwanted computers that you or your company wish to dispose of. We are taking in donations for various projects.

PARENT INTERNET SAFETY SESSION

WEDNESDAY 4TH MARCH 2020

EUROPA SCHOOL UK

6.00pm - 7.20pm

The PTA have kindly funded this important information evening for parents. [Results of our secondary student survey can be found here](#) and it shows that most pupils will turn to their parents for advice. We would like to encourage parents to attend.

Badminton Match OLA

Thursday saw some thrilling badminton matches between OLA and the Europa School as our S1s, S3s and our S5/S6s hosted OLA for some badminton matches. Our team managed to play 45 matches, but it was not only the quantity that was impressive, the quality also shone through. The Europa School finished the event as winners scoring 18 wins to 15.

Ski trip to Aprica

Europa's first Ski trip was a huge success. A great time was had by all. School and Ski staff were impressed with the children's behaviour,

camaraderie and morale throughout the trip. The interaction between year

groups and different language groups was to be admired.

The children were a real credit to our school and their families.

Oxford Brookes University Library

This trip was an important first step for the S5 preparing for the IB next year and an introduction to the research needed for the extended essay that is an integral part of the IB.

Mathematics Challenge

The Intermediate Mathematics Challenge was held on Thursday 6th February in the Chapel for S3-5 students. Seventy students registered, and the results were impressive. Six students earned a gold award: Aidan Groth (best in school), Liam Dalziel, Sam Matthews, Nicolas Winkel, Aurele Thinot, Ravi Venugopal. Seven silver and eleven bronze awards were also achieved. Congratulations to all who took part.

Coronavirus - We will continue to keep you updated with the latest news and guidance. The guidance can be found [here](#)
