Coronavirus - if travelling over half term, [please read the government information](#)

Absences - it is not possible for the school to authorise extended holidays.

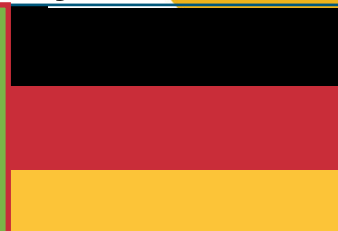

Basketball Interyear

On Saturday 8th February the annual Basketball Inter Year tournament took place in the Sports hall.

For the attending students, it was a great chance to compare their basketball skills in the very popular inter year competition. The standard of the basketball was high and everybody had a lot of fun. Results are available [on the school website](#).

Global PASCH family

On Friday 7 February, we welcomed the Deputy Head of Culture from the German Embassy, the Deputy Head of the Goethe-Institut, and the Teaching Expert for PASCH from the Goethe-Institut in London, in addition to local and school dignitaries to celebrate our acceptance into this network which is implemented by the Goethe-Institut. Rousing performances from all German classes marked the occasion. Europa School was presented with a very generous case of iPads to support German language learning, in addition to a marvellous tea and cake reception in the Chapel.

Dr Havenstein and Frau Tornow (PASCH co-ordinators)
