20 - 24 April 2020

Current news

Oxford science poetry competition - [For anyone under 16](#)

Protective equipment - Oxfordshire County council made an appeal for protective gear for social care workers. Mrs Lucia Singer from our science department sent off 195 safety specs, 25 safety goggles, and 33 boxes of disposable gloves, and one unopened pack of wipes.

Children's guide to Coronavirus - The children's commissioner has set up [this useful guide](#) for children.

Macs for music - Our music department would gratefully receive any Macs so children can continue working on their music projects. Please contact: t.ognjenovic@europaschool.uk if you can help.

Reports - S1-S6 reports have been published on the parent portal. S7 will be released after the Easter holidays.

[Google Meet Grid view](#) for Chrome is a good way to see all that are in a call at the same time. You can add it via tools-extensions to your Chrome Browser.

Appeal for elastic bands

Our coding club is trying to use our newly purchased 3D printer to create face masks for the NHS. We need more elastic bands as in the picture. If you know how we can obtain them, please email j.marais@europaschool.uk

Thank you to Rémi (S1F) for having helped set up the printer and Johan Marais for taking the lead!

School challenges

Have you signed up to the daily maths challenge? Google Classroom code: **rlek4pr**
We are shortly launching a PE challenge. Students, keep an eye on your email.

Litter picking

Two of our secondary key worker students, Lejla (3SF) and Joshua (S1D) collected a lot of rubbish this week. Most of the school is now clean and even along the farmers field fence, which is dividing the edge of the field from the P1 playground has been freed of rubbish. It took the children over 1 1/2 hours to do it and they worked hard for it. Thank you Lejla and Joshua!

IB Accreditation

Europa School UK is celebrating because it has just secured a new end qualification for its multilingual students. Europa School will be the only state school in Oxfordshire to offer the globally recognised International Baccalaureate (IB) Diploma.

[Read the full press release here.](#)

An added advantage is that we can now welcome students with Spanish as a second language in S6 as well as French and German. We still have places, so if you know anyone that is interested, please refer them to our IB information page:

<https://europaschooluk.org/admissions/6th-form/>

The school would like to thank its dedicated teacher team for all their hard work on training and preparing on top of their usual work. Thank you to Mrs Simpson for the coordination of it all!

Have a good Easter Break
