

**AMENDED**

# COVID-19 arrangements for safeguarding and child protection at Europa School UK

V2 with Appendix as phased return begins from beginning of June

**School name: Europa School UK**  
**Policy owner: Sarah Kynoch/Lynn Wood**  
**Date: 31.03.2020**  
**Date shared with governors and trustees: 04:04:2020**  
**Date shared with staff: 08:04:2020**

Adapted by Alison Beasley, Designated Officer and Manager of the Education  
Safeguarding Advisory Team

With thanks to Louis Donald, Trust Safeguarding Manager at the Stowe Valley Multi Academy  
Trust and Andrew Hall , <https://www.safeguardingschools.co.uk/andrew-hall>

This is also in line with DFE guidance <https://www.gov.uk/government/publications/covid-19-safeguarding-in-schools-colleges-and-other-providers/coronavirus-covid-19-safeguarding-in-schools-colleges-and-other-providers>

## **1. Context**

From 20<sup>th</sup> March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the Europa School UK Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

- 1. Context**
- 2. Key contacts**
- 3. Vulnerable children**
- 4. Attendance monitoring**
- 5. Designated Safeguarding Lead**
- 6. Reporting a concern**
- 7. Safeguarding Training and induction**
- 8. Safer recruitment/volunteers and movement of staff**
- 9. Online safety in schools and colleges**
- 10. Children and online safety away from school and college**
- 11. Supporting children not in school**
- 12. Supporting children in school**
- 13. Peer on Peer abuse.....**

## 2. Key contacts

Role	Name	Phone	email
Designated Safeguarding Lead (DSL)	Sarah Kynoch	07968 087496	safeguarding@europaschool.uk
Headteacher if not DSL or DDSL	Lynn Wood		
Deputy Designated safeguarding lead (DDSL)	Lynn Wood	01235 524050 (school) 07780 752 734	safeguarding@europaschool.uk
Chair of governors/trustee	Dr Andrew Brent		a.brent@europaschool.uk
Safeguarding governor/trustee	Jackie Holderness		j.holderness@europaschool.uk
Daily person responsible for safeguarding on site			Information available on school Daily Notice email sent to all staff.
HR Manager with responsibility for the oversee of safeguarding training	Mrs Anna Cole-Morgan		a.cole-morgan@europaschool.uk

## 3. Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

The Headteacher and Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Europa School UK will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be Sarah Kynoch.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Europa School UK will explore the reasons for this directly with the parent. We as a school will ensure that all professionals involved with these vulnerable children, (e.g. social workers, SEND case workers, LCSS, Early Help worker etc) are fully informed around the current attendance of the child (attending school or not) and if not attending school the arrangements that we have put in place around safeguarding this child.

Where parents are concerned about the risk of the child contracting COVID19, Europa School UK or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Europa School UK will encourage our vulnerable children and young people to attend a school, including remotely if needed.

#### **4. Attendance monitoring**

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

Europa School UK and social workers will agree with parents/carers whether children in need should be attending school – Europa School UK will then follow up on any pupil that they were expecting to attend, who does not. Europa School UK will also follow up with any parent or carer who has arranged care for their child(ren) the child(ren) subsequently do not attend.

This will be via a telephone conversation.

To support the above, Europa School UK will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Europa School UK will notify their social worker.

The Department for Education has introduced a [daily online attendance form](#) to keep a record of children of critical workers and vulnerable children who are attending school. This allows for a record of attendance for safeguarding purposes and allows schools to provide accurate, up-to-date data to the department on the number of children taking up places.

The attendance data will also be shared with the Local Authority attendance team [Attendance@oxfordshire.gov.uk](mailto:Attendance@oxfordshire.gov.uk).

## **5. Designated Safeguarding Lead**

Europa School UK has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is Sarah Kynoch

The Deputy Designated Safeguarding Lead is Lynn Wood

A member of the DSL team will always be available during school hours. The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a designated member of staff will assume responsibility for coordinating safeguarding on site.

This might include liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all our staff and volunteers have access to a trained DSL (or deputy). On each day staff on site will be made aware of that person is and how to speak to them.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

## **6. Reporting a concern**

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via the email [safeguarding@europaschool.uk](mailto:safeguarding@europaschool.uk) which can be done remotely.

In the unlikely event that a member of staff cannot access our normal reporting systems from home, they should email the Designated Safeguarding Lead and the Headteacher. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should continue to follow our normal procedures and alert the headteacher immediately. The headteacher will follow normal allegation management procedures as detailed in Keeping Children Safe in Education and liaise with Oxfordshire's Local Authority Designated Officer; Alison Beasley, as details in our main policy. If there is a requirement to make a notification to the headteacher whilst away from school, this should be done verbally and followed up with an email to the headteacher.

The DSL will keep our safeguarding Governor aware of any significant safeguarding issues according to the Trust's governance protocols.

Concerns around the Headteacher should be directed to the Chair of Governors, Dr Andrew Brent and the Governor responsible for safeguarding, Mrs Jackie Holderness.

## **7. Safeguarding Training and induction**

All DSL training has been suspended by the Oxfordshire Safeguarding Children's Board (OSCB) and it is very unlikely to take place whilst there remains a threat of the COVID 19 virus.

Guidance from the OSCB can be found here <https://www.oscb.org.uk/learning-zone/training/>

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter our School, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Upon arrival, they will be given a copy of the receiving setting's child protection policy (which will be similar to their current setting if an Oxfordshire school), confirmation of local processes and confirmation of DSL arrangements.

Any member of Europa staff who feels at all unsure about their safeguarding responsibilities, should update their safeguarding training where necessary online - using their personal Educare account - Contact Anna Cole Morgan if in doubt about this facility. In addition, the Safeguarding Officer and deputy are available to answer queries

## **8. Safer recruitment/volunteers and movement of staff**

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Europa School UK will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where our School are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Europa School UK will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE, in line with advice from the LADO where appropriate.

Europa School UK will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing [Misconduct.Teacher@education.gov.uk](mailto:Misconduct.Teacher@education.gov.uk)

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Europa School UK will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

## **9. Online safety in schools and colleges**

Europa School UK will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

## **10. Children and online safety away from school and college**

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the

Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Europa School UK will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- Staff and children must wear suitable clothing, as should anyone else in the household.
- Any computers used should be in appropriate areas, for example, not in bedrooms.
- The live class should be recorded so that if any issues were to arise, the video can be reviewed.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family 'getting on' with their day.
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms (google domain) provided by Europa School UK to communicate with pupils
- Staff will record the length, time, date and attendance of any sessions held in their google calendars.

All staff at Europa School UK will be reminded of the following policies:

- Staff code of conduct
- Acceptable users' policy
- Social media guidance

Children should continue to be protected when they are online - All parents wishing for their children to participate in online activities through their school logins will have signed the Europa consent for online video access, with a code of conduct.

<https://forms.gle/z9bBt8zs3cC9iyqv9>. Parents have also received a copy of *Europa School information and advice for on-line activity*

## **11. Supporting children not in school**

Europa School UK is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

The communication plans can include; remote contact, phone contact, door-step visits. Other individualised contact methods sanctioned by social services (such as the "mind of my own" app) should be considered and recorded.

Europa School UK and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Europa School UK recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers.

Teachers at our school need to be aware of this in setting expectations of pupils' work where they are at home.

Europa School UK will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them.

## **12. Supporting children in school**

Europa School UK is committed to ensuring the safety and wellbeing of all its students.

Europa School UK will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Europa School UK will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Europa School UK will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them.

## **13. Peer on Peer Abuse**

Europa School UK recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded, and appropriate referrals made.

**All staff will be sent this additional policy to read and will sign to say they have read and understood the content.**

**If staff are working from home, they will be asked to email confirming the above.**

## Appendix for child protection and safeguarding policy May 2020 as phased return of pupils begins

From the beginning of June depending on the UK government's decision making some years groups will be returning to school, specifically Reception, Year 1 and P6 classes. The planning of this reopening has involved renewing of the school COVID policies including risk assessments.

Based on the new government guidance that has been released this appendix takes account of key amendment for our current policy

As part of the school's COVID risk assessment, there will be no volunteers or visitors allowed on site until the end of the academic year. We also seek to minimise the use of any external cover until the end of the academic year.

In the phase of the school reopening, safeguarding will focus on monitoring children returning to school as well as continuing to keep in touch with students who remain at home and engaging with distance learning.

- staff may identify new safeguarding concerns about individual children as they see them in person following partial school closures. This concern should be communicated using the usual procedures to the DSL or the deputy.
- staff should follow the usual reporting procedures if they have any concerns about a child, including new concerns where children are returning
- It is important that all staff act and act immediately on any safeguarding concerns, including new concerns where children are returning.
- The school will ensure that the DSL (and deputies) have sufficient time to support staff and children regarding new concerns (and referrals as appropriate) as more children return.
- It is important to ensure relevant safeguarding and welfare information held on all children (including returning children) remains accurate. The School (led by the DSL or deputy) should be doing all they reasonably can to ask parents and carers to advise them of any changes regarding welfare, health and wellbeing that they should be aware of before a child returns
- DSL (and deputy) arrangements remain the same.
- peer on peer abuse - staff should continue to monitor and report any issues particularly in the different circumstances in which the school is operating with an increased mixture of in school and remote provision.(the principles as set out in part 5 of [KCSIE](#) should continue to inform any revised approach)
- Staff should be reminded about the procedure to follow where they have concerns about a staff member who may pose a safeguarding risk to children (the principles in part 4 of [KCSIE](#) will continue to support how a school or college responds to any such concerns)
- The DSL (and deputy) should review the school's approach to protecting vulnerable children, in particular the arrangements are in place to keep children not physically attending the school safe, especially online and how concerns about these children should be progressed.
- The DSL (or deputy) will keep upto date with any updated advice received from the local safeguarding partners DSLs (or deputies) and ensure that is is taken account of in the local arrangements
- The DSL (or deputy) must take account of any updated advice received from local authorities regarding children with education, health and care (EHC) plans,

the local authority designated officer and children's social care, reporting mechanisms, referral thresholds and children in need

- The school recognises the continued importance for school and staff to work with and support children's social workers, the local authority virtual school head for looked-after and previously looked-after children and any other relevant safeguarding and welfare partners

The amended policy will be agreed by the Full Governing body.

It is important that all staff are aware of any new amendments and have read and understand the expectations on them. Staff need to be kept up to date as it is revised. The revised policy should continue to be made available publicly on the school's website.
