RSE Cyberbullying session

S1 and S2 have been discussing cyberbullying and staying safe online in RSE sessions over the last couple of weeks and they have been coming up with really good ideas on how to stay safe online. However these are issues that can be challenging for adults to monitor and give guidance on so [here is an article](#) that has some interesting top tips and information.

Interact Christmas project

With Christmas fast approaching, promoting a sense of community and bringing people together is more important than ever, especially during these troubling times.

[Our project](#), the *Wishing Well For Others* does just that! By giving £1 you are able to make a wish for someone else, which you would like to come true. This is a way of helping others in the Christmas spirit. [Read more here](#).
