

ART CLUB

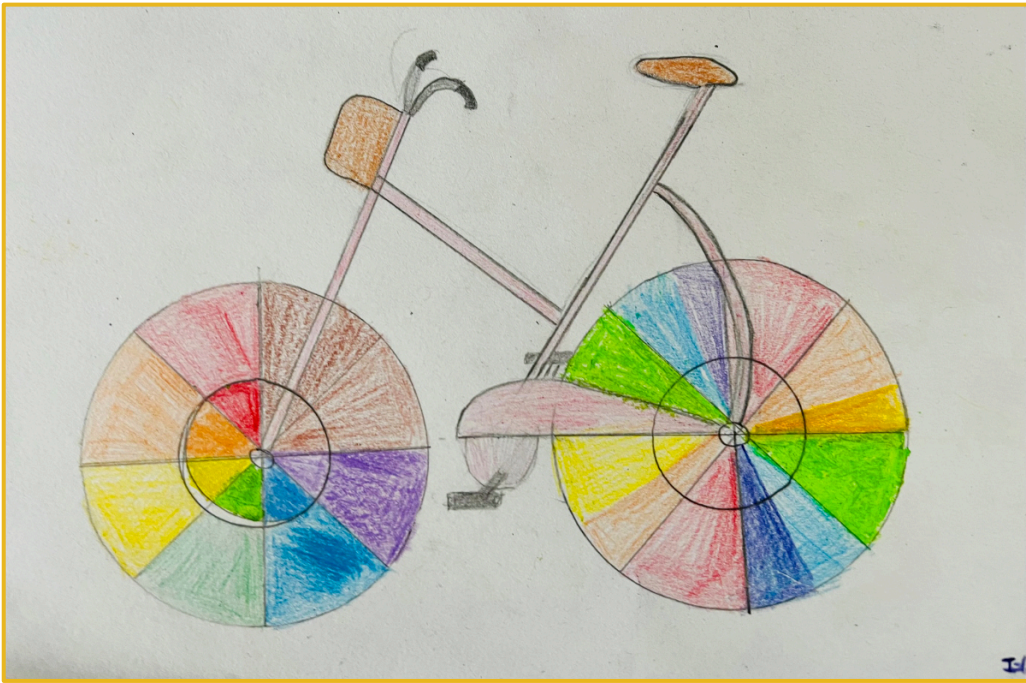

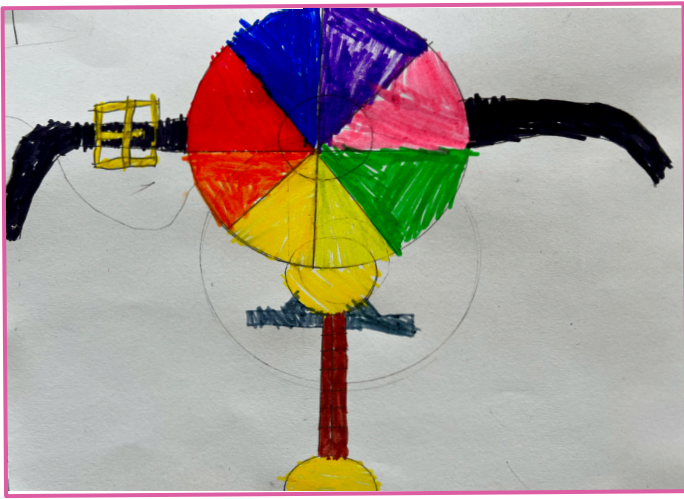

MINI GALLERY

This is the first mini gallery of the school year, we have had a lot of fun at the art clubs and I hope you will enjoy seeing some of the children's artwork here. Including artworks from children in primary year 4 up to S2. I'm looking forward to seeing everyone after the break :)

COLOUR WHEEL PROJECT: A personal take on the colour wheel.
The children had fun creating their own versions of the colour wheel:

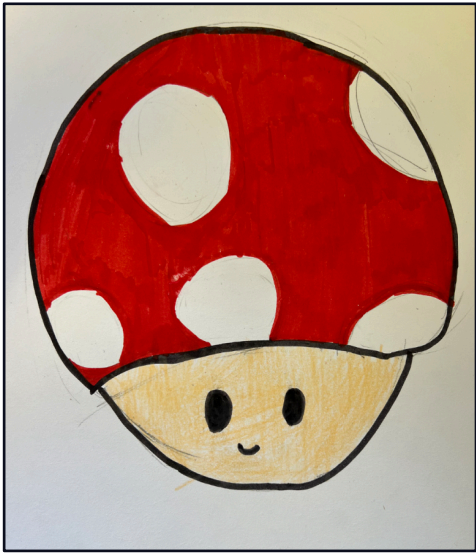

COLOURFUL MUSHROOM PROJECT: The children imagined and created their own wonderful & colourful mushrooms:

PRINTING PROJECT: For most, this was a first experience exploring print making. They created their own designs on paper, then transferred these to polystherine and experimented with their designs using printing inks on paper, cardboard, tissue paper and fabric.
