

ART CLUB

MINI GALLERY

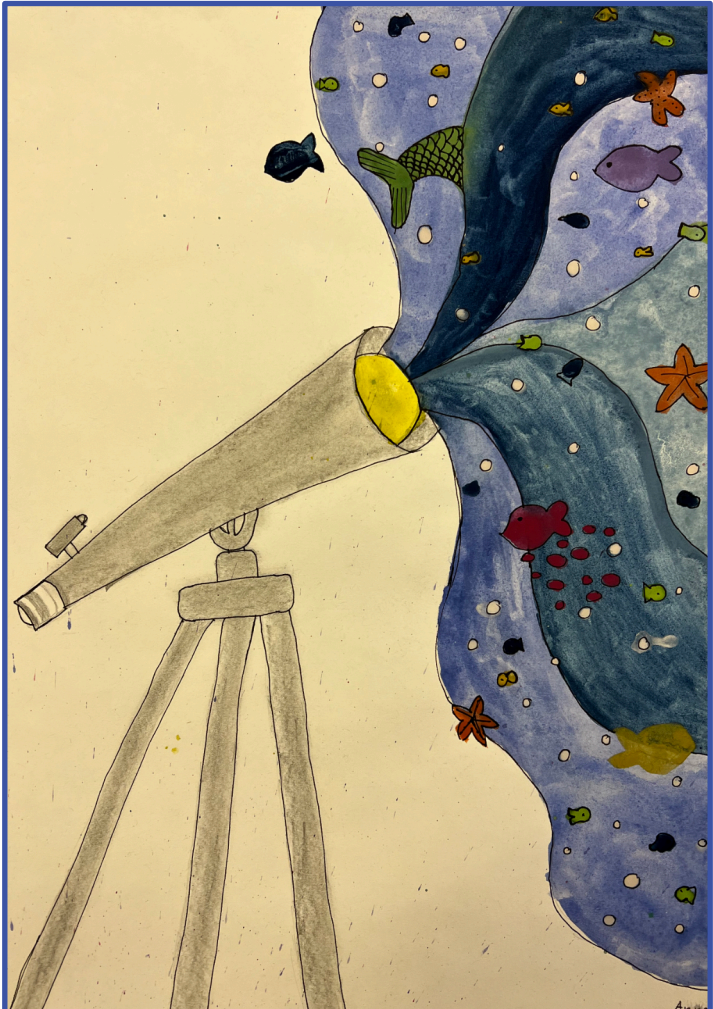

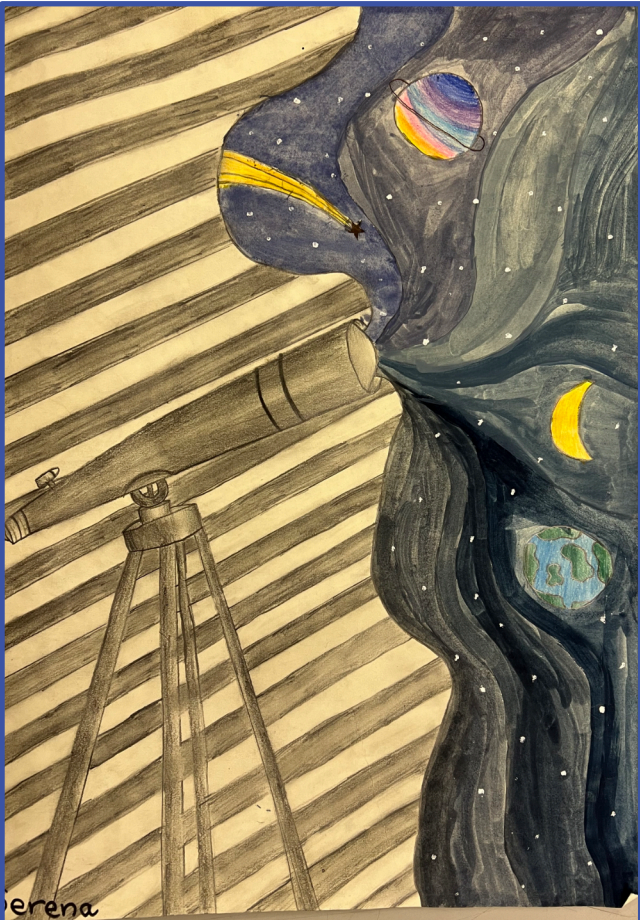

Nov-Dec 2022

I hope you'll enjoy seeing some of the kids' artwork here from the 2nd half of the autumn term. Both the KS2 and S1/S2 clubs explored various projects focusing on line/texture/ blending colours using pastels, paint, colouring pencils and collage. They've worked on various festive/winter themed projects and lots of their own wonderful drawings/ doodles and creations. Merry Christmas and I'm looking forward to seeing everyone again in the New Year :) Laure at Art Club

COLOUR BLENDING: The kids created wonderful chalk pastel colour blending on black card, using tape to create space and define the colour blocks.

“FROM MY TELESCOPE” Project: Using pencils/paints/markers and collage the kids imagined and created what they would like to see from their telescope.

“WINTER PROJECTS”: The kids drew and created “colour trees”, “mountain bears” and “winter birch trees”. Focusing on exploring line and creating texture with lines, thinking about paint brush strokes, texture through collage and colour layering.

FESTIVE Projects: The kids created various Christmas themed projects including winter birch trees, winter robins, nutcrackers, magazine strip trees, and bauble trees”.
