

ART CLUB MINI GALLERY

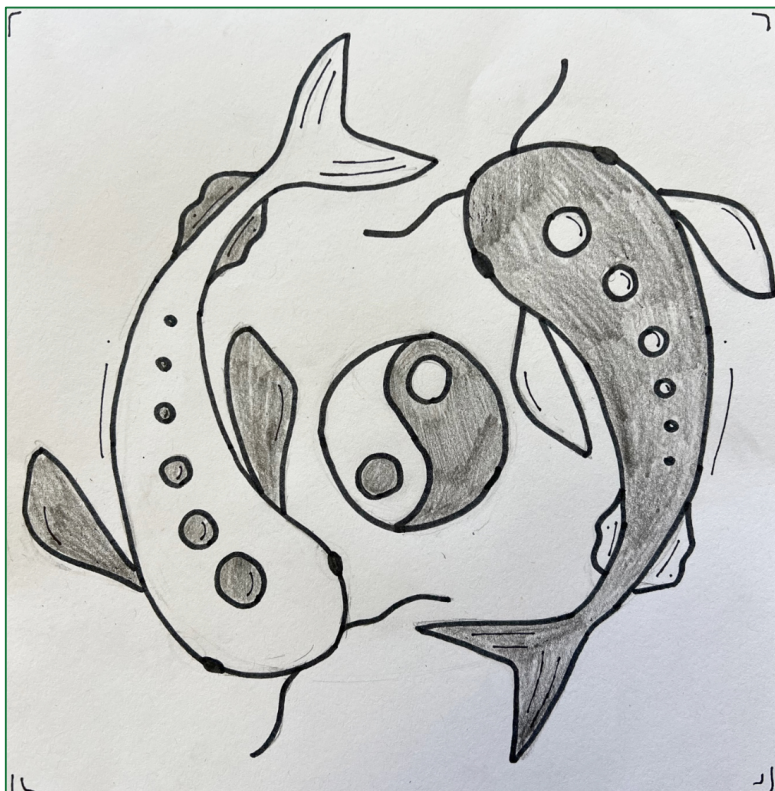

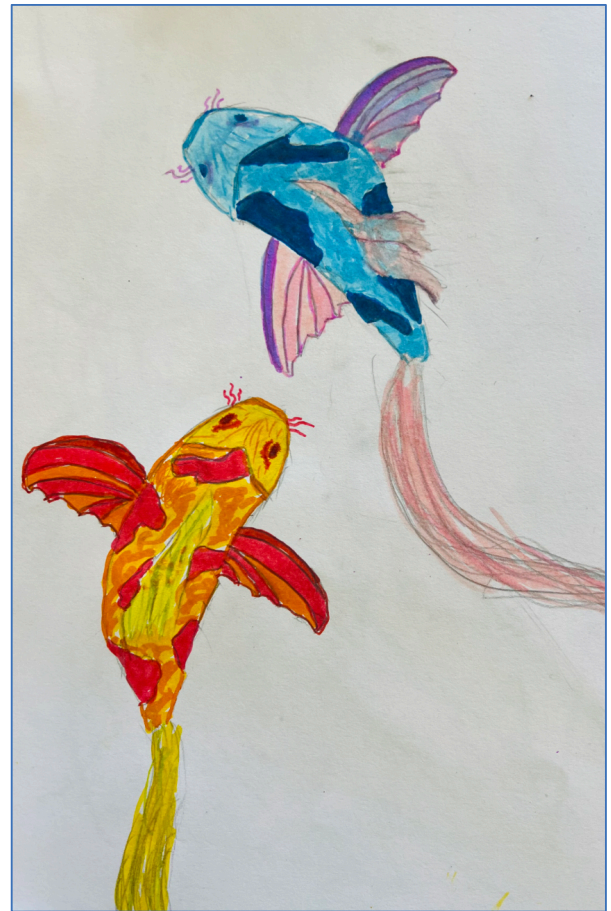

In April and May the KS2 and S1/S2 clubs explored various projects including designing the logo for Europa's 10 year birthday, and finishing a collaborative piece to mark Europa's 10 year birthday. It's been very busy, and I hope you enjoy seeing some of their artwork here :) Laure at Art Club

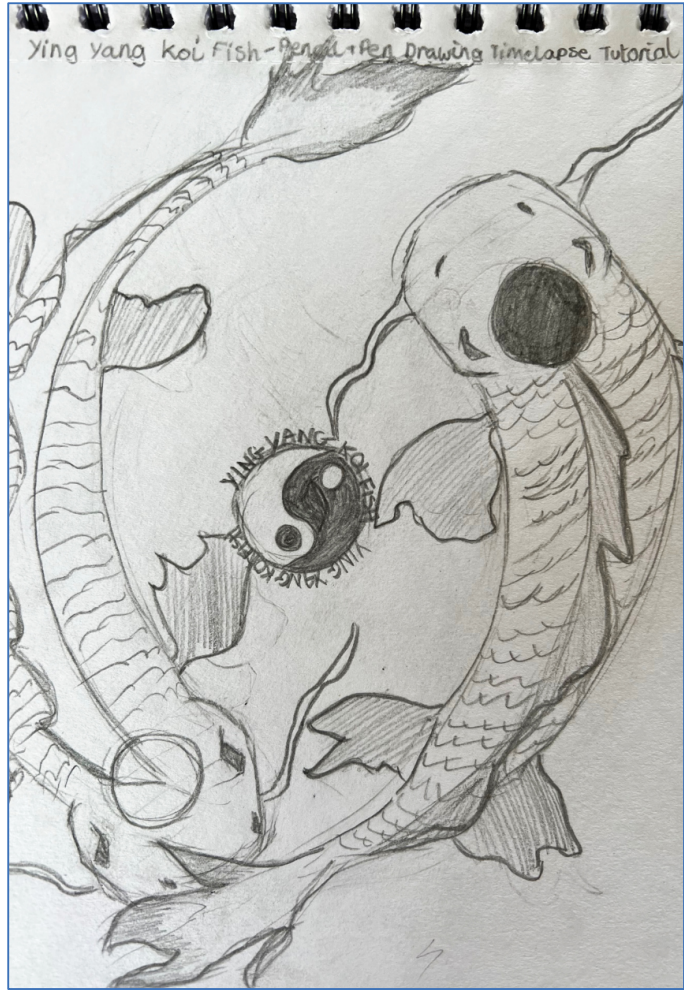

EUROPA 10 YEAR GROUP PROJECTS:

Last term, we started an art club project to celebrate Europa's 10 year anniversary. Each student decorated a square inspired by school life and the world around them, and we connected them all into a big collage to come together and celebrate all the unique, different, wonderful, nationalities and personalities that make up our lovely school. Our colourful wall art is now displayed in the school for Europa's 10 year celebration! We have also been busy making lovely clay birds to hang in the trees for the school's summer fête celebration.

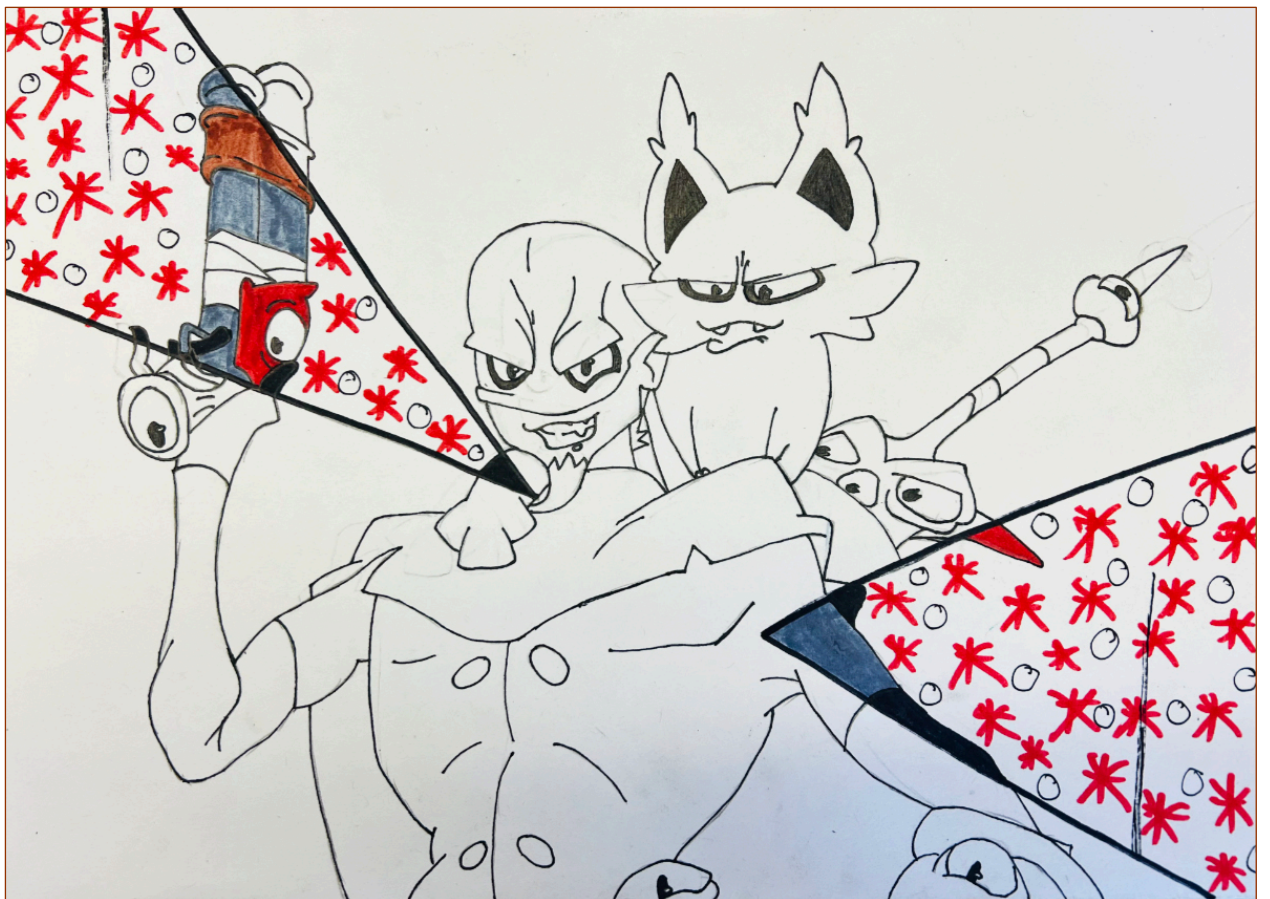

KOI FISH PROJECT: We looked at the koi fish, a symbol of **STRENGTH**, **COURAGE**, **PATIENCE** AND **SUCCESS** through **PERSEVERANCE**.

EMPHASIS PROJECT: The children worked on an artwork of their choice, in pencil focusing on emphasising just one section of artwork using colour.
