Jan-Feb 2024

I hope you'll enjoy seeing some of the art club's artwork here from this first half term of 2024. All the art clubs from primary yr 3 to S2 explored the theme of the dragon for the chinese new year, and "my future world" prompted by the Young Art Oxford competition. They also completed many of their own wonderful drawings/doodles and creations. I'm looking forward to seeing everyone again after the half term :) Laure at Art Club (l.arnold@europaschool.uk)
