

# ART CLUB

## MINI GALLERY

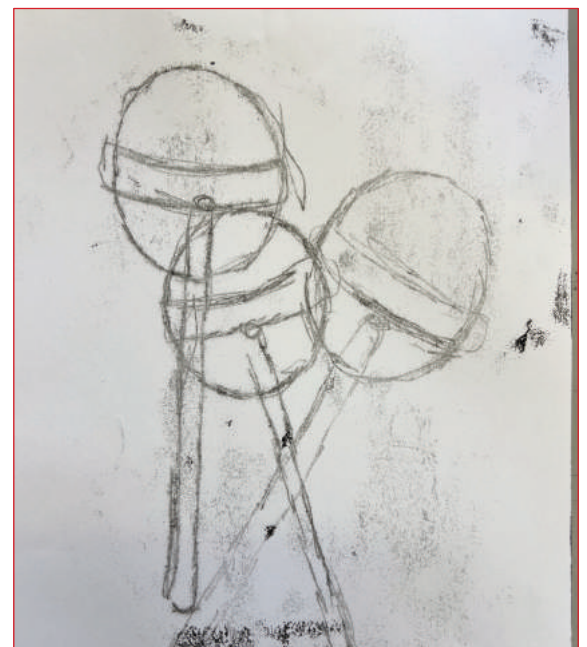

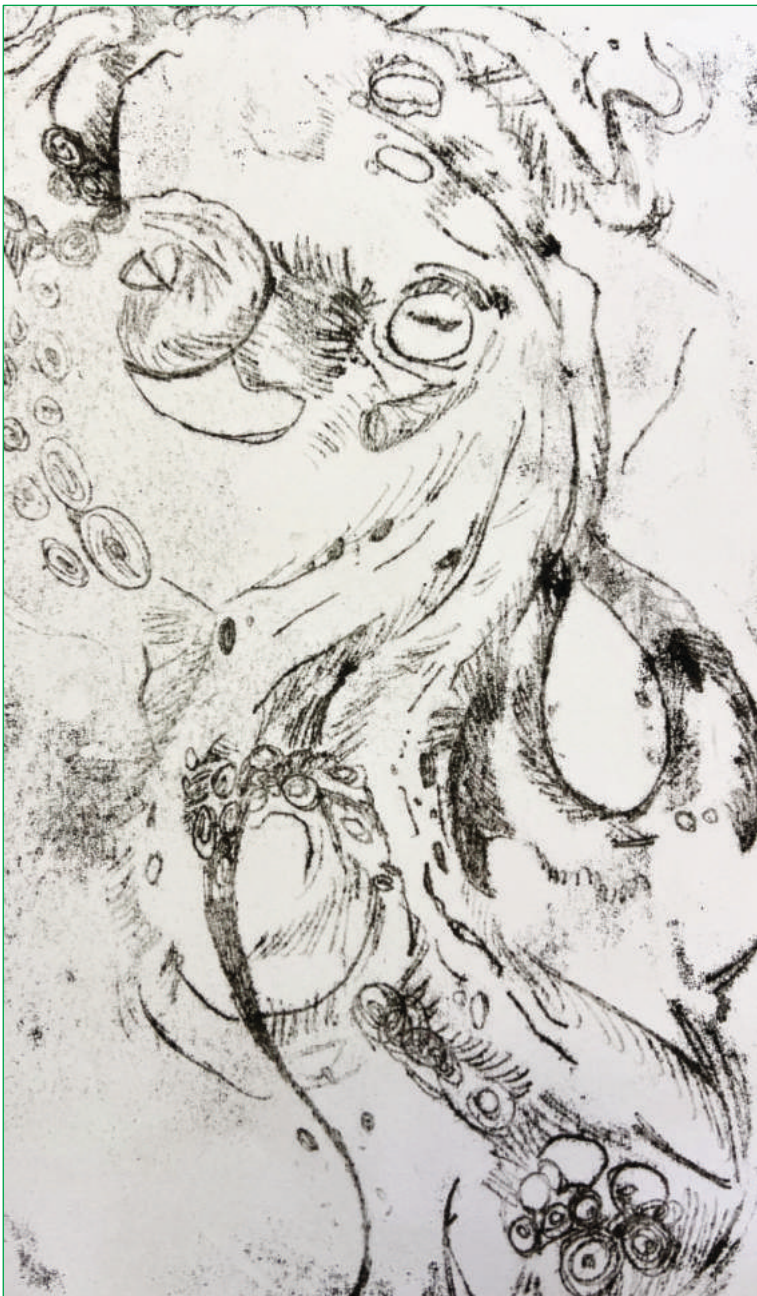

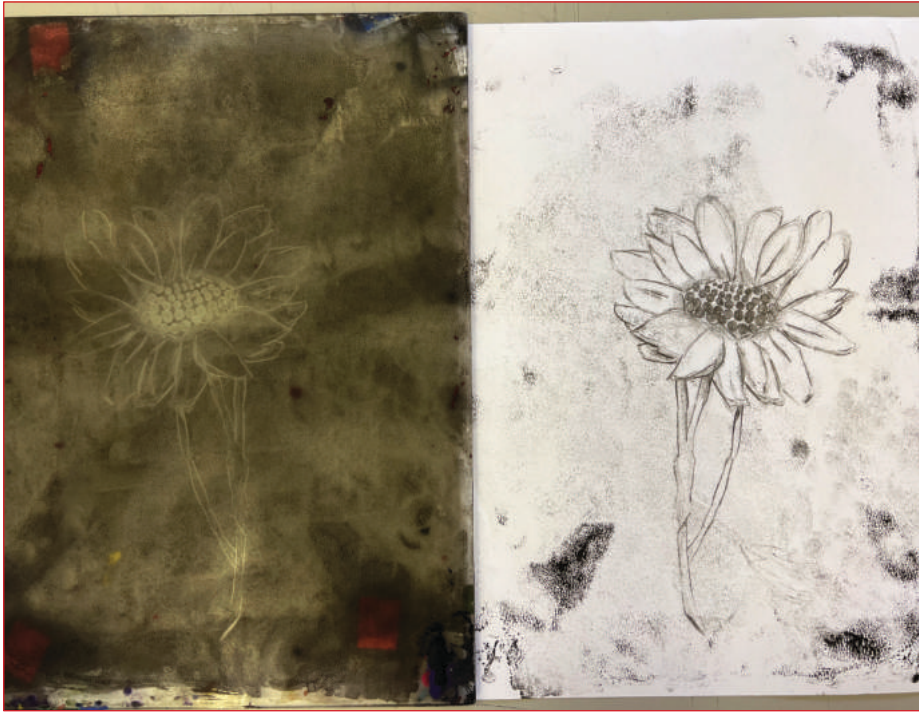

It has been a very fun half term at the Art Club, we have worked on many projects including: an introduction to mono printing, designing hot air balloons, creating personal responses to the S7 IB Art exhibition, and many more personal projects. I hope you will enjoy seeing a snippet of the children's artwork here from primary year 3 up to S2, and I'm looking forward to seeing everyone after the break :)

# IB Art Exhibition:

A few of the lovely personal responses to the IB Students' Art.

Mask (left) and mirror (below) artwork by S1 Art club students inspired by Francesca, S7.

Tree pencil and charcoal artwork by an S1 art club student, inspired by Lejla, S7.

**HOT AIR BALLOONS:** A selection of the lovely hot air balloons created by the art clubs, these will all be displayed at school for the summer fête in June, each one inspired by what the children love.
