

# ART CLUB

## MINI GALLERY

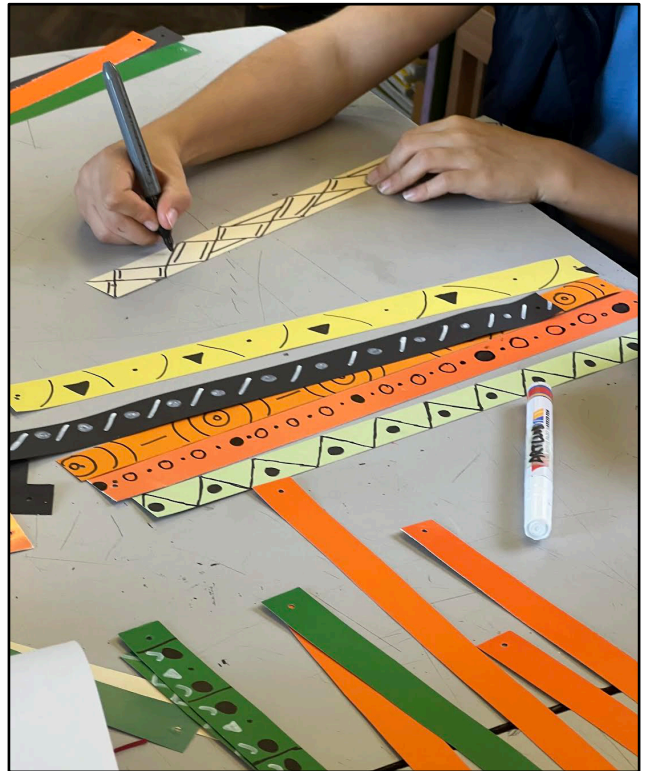

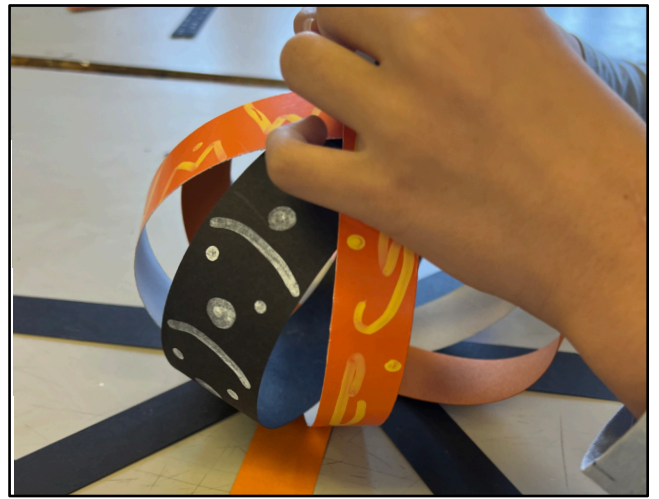

This first half term of the school year was full of autumn themed creations exploring a variety of materials and techniques: mono printing, collage, painting, pencils, charcoal, cardboard and 3D paper sculptures . The secondary Art clubs focused their art making around the theme of Alice in Wonderland, leading to the Art Club's mini exhibition: "WONDERLAND".

I'm looking forward to seeing everyone again after the half term break :) Laure at Art Club
