FOOTBALL GAME: EUROPA SCHOOL VS SAINT BIRINUS  
OUR NEW TEAM FACES ITS FIRST OPPONENTS

## BEFORE THE MATCH

Wednesday, November 2nd, The Europa school's new S6/S7 boys football team played its first ever match as a team. According to Mr. Stephan (Europa's PE-Coordinator and football coach): "[Saint Birinus] is one of the best football schools in the region" promising an interesting and unbalanced match. When the school bus arrived at St Birinus at 13:30, spirits were high among some players: "[Saint Birinus] are too worried about the might of Europa School, I bet they're shivering in their graves right now" explained Baz (S6) confidently. Other players were slightly more pragmatic, "I'm expecting a draw or that they will win." Nasi (S7). Players started warming up on the trekking route, as the opposing team had not arrived yet.

## THE MATCH

Divided in two half times of 40 minutes, the game kept its intensity throughout the entire match. A strong wind did bother some of the players as the man of the match, Julien (S7) stated afterward "It [the wind] was definitely a big factor, I mean there were one or two shots that would have normally gone straight into the goal but didn't". Despite the disappointing loss of 4-0, both teams kept their fairplay, which was later congratulated by the referee. The reporters would like to specially congratulate Oscar (S6) who did an amazing job as a keeper.
