CULHAM
CALLING IS BACK!

We are excited to be the editors of this wonderful newsletter for the next two years. We are currently all students at Europa in S6 and between 15-16 years old. Furthermore, we hope our newsletter will help you find out incredible events and opportunities that are happening around Oxfordshire and bring the people of this community closer together. We will try to bring out an edition every half-term, but due to our busy schedules, we can not make any promises. If you have anything you would like to see published, do not hesitate to drop us a line :) Also we would appreciate it if you could fill out the survey below, so we can improve our newsletter to better fit your needs.
