Year 4 Woodrow High House

Year 4 had a busy time on their residential last week at Woodrow High House. They worked on a variety of team skills in different activities such as working out puzzles, helping to build a tower of crates for others to stand on and rope work to build a catapult.

They were also busy focusing on their individual skills as well through archery and bushcraft techniques. All in all, it was another great residential and we are looking forward to the 2024 trip.

PTA Events

International Day

A huge thank you to all parents that volunteered!
It was very much enjoyed by of all Primary.

Library Spring Clean - Saturday 20th May 10am - 1pm

Spare an hour? Help reset the Primary Library. Teachers, pupils and parents alike will benefit from a fully-functioning Primary Library.

The whole school is invited; let's make a difference together.

Signup and find out more on Classlist

HAPPY EARTH DAY FROM EUROPA SCHOOL!

On Monday, the children celebrated Earth Day with many activities. Thanks to your generous cookie donations, the school also managed to raise an amazing 520 pounds which will be used towards eco-friendly equipment and projects. A huge thank you to everyone involved for making it a special day!

The Eco - Club created a podcast about Earth Day. You can listen to by clicking here:

Thank you to all the parents who came to support our Enrichment Concert.

The children were amazing. And also a big thank you to Frau Helga Tassy and Tania Russell for the hard work put into organising this event.

We also had some Secondary students helping out which was very much appreciated. Thank you to Gemma, Maddie, Amalia, Lilly, Amber and Marion

10th Anniversary Celebration Friday
30th June and Saturday 1st July in the
Schuman Hall.

Did you know?

We have a Europa School Ski Team which Monica Paluch and Vicky Shepherd have been developing. They have been successful in securing a grant for this which means they can offer a beginners lesson at a very reasonable cost of £10 for a three hour session. Currently there are 12 spaces and this would be for Primary age children.

Please contact
Monica
(07467461718) if
you would like to
book a lesson, or

Living and Learning in two languages

Mon, May 15, 2023, 1:00 PM

<https://www.eventbrite.com/e/living-and-learning-in-two-languages-tickets-616391211707>

In the first part of this free, not to be missed workshop for parents, Dr Vally Lytra (Goldsmiths) and Dr Effrosyni (Froso) Argyri (UCL) will share their experiences of raising multilingual children in Switzerland and England respectively highlighting different forms of bilingual education provision.

They will spotlight state of the art research on theories of language and language learning and factors that support language and literacy development in bilingual/multilingual children. They will also examine language learning outcomes associated with different types of bilingual education - immersion education and CLIL (Content and Language Integrated Learning).

Q & A Session

In the second part of the workshop, parents will have the opportunity to reflect on their own language learning journeys, share experiences and ask questions.

This is an online talk. All registrants will receive an invitation with the Zoom link prior to the talk.

This event is organised by the Bilingual Education Alliance (BEA). For further information on similar events, please join our mailing list via our website www.beaschools.com
